ESTROVERA ORDER PROCESS

You must proceed to the Metagenics website to purchase the product. Free shipping is included. www.metagenics.com

1. First, establish your patient account by clicking on the “Create an Account” link, located on the upper right hand corner of the website.
2. Once you establish your account, log out. You may now order with our practitioner code **GBanuelos** in the green shopping cart box located on the upper right hand corner of the website. Click “go” after you enter the practitioner code. You will be prompted to sign back in during the checkout process.
3. You can now move your mouse over the “Products” section. 2 dropdown sections appear. On the “By Product Line” section, **Estrovera** is the first product. Click on the link.
4. Once you click on the link, you will be taken to the product page. Click on the “Products” link on the blue section. You will be automatically scrolled to the bottom of the page to begin your purchase. **Select the 90-day supply bottle. This option is fully guaranteed, and the pills take about 90 days to fully take effect!** Click the “See Size Options” link to select the size.
5. Click the “Add to Cart” button.
6. You will get an alert at the top of the page that says the product has been added to your cart.
7. Scroll back up to the top of the page to view the items in your cart and begin checkout. Click the “View Cart” link by placing your mouse over the shopping basket.
8. You will then begin the checkout procedure with your newly established account.
