ILLINOIS DEPARTMENT OF PUBLIC AID PAYMENT POLICY DISCLOSURE

January 2013

*We are required by the Illinois Department of Public aid that patients present a valid IDPA card at the time of each visit, along with a picture ID.

*If a patient possesses coverage through another carrier, a *PRIMARY* carrier, it is their responsibility to disclose that information at the time of the visit and also present the PRIMARY insurance card, along with the copayment for the visit. Patients who opt to use Public Aid coverage without notifying the front desk, may be billed for charges once it is discovered that a primary carrier exists.

Example: patient has benefits under Blue Cross Blue Shield and also under Public Aid. Blue Cross Blue Shield coverage shall be exercised before Public Aid coverage.

*You are always welcome to contact our office for any questions regarding this policy.
